

Hello

I left a message on your answering machine. Just wanted to let you know I'm getting excited about your workshop and want make sure you have done the following:

- Did you get your invitations out?
- Have you called your guests to remind them of the date and time?
- How is your Wish List coming together?
- Do you have any outside orders or bookings? I have a special gift for you for 5 outside orders prior to your workshop.
- Has any of your friends mentioned hosting their own workshop? I also have a special gift for any bookings dated prior to your workshop.

I will call you in a couple of days to get a guest count so I bring enough supplies for everyone to stamp. I'm looking forward to your workshop!

Sincerely,
